Dear Dr. Murray:

I have attached hereto a revised version of your agreement, which incorporates all of the revisions you requested. I have redlined the Word version so that you can see all of the revisions. In addition, I have attached a clean pdf version which is ready for execution. If you approve the form of the attached, please print the pdf, sign it and return your signature to me by pdf (via email) or by fax. My fax number is [REDACTED]

Also, thank you for agreeing to assist in the efforts of the insurance company to complete its due diligence regarding Michael Jackson's medical history. I will suggest that any medical information form that the insurance company would like Mr. Jackson to complete be delivered to you in a brown envelope at Mr. Jackson's home so that you can work with Mr. Jackson in completing the form. In addition, I will ask that such form include precise instructions regarding the procedure that should be followed to return such information to the applicable insurer.

Please do not hesitate to call me in the event you would like to discuss this matter further.

All the best,

Kathy

Dear Conrad

I have the pleasure to be the conduit of revisions made by Kathy Jorrie. I hope you find the enclosures satisfactory and that you can help us, with MJ's permission of course, with the medical history for the doctor being provided by UK underwriters of the non-appearance policy.

With kind regards,

Timm

Dear Dr. Murray:

It was a pleasure to speak with you today. Please find attached a revised version of the agreement (in Word), along with a redline (to show the changes) and a final pdf version. I have incorporated the revisions we discussed. Please let me know if you have any additional comments to the agreement.

Also, AEG is arranging to obtain cancellation insurance in connection with the 02 performances, and the insurance company (Bob Taylor at Robertson Taylor)) requires a five year medical history for Michael Jackson. This is a condition precedent to obtaining the cancellation coverage. Is this something you can assist us in obtaining for the insurance company? If not, can you please let us know what physician(s) can be of assistance.
